Dear Paul:

I have enclosed information on a Daniel J. Moore of Boylston, Mass who I believe should be placed on the confidential file.

I had written to you about a year ago because we did not find anything local, then registered him got some feedback from scouters, re-checked and found the file. It would seem that nothing had been originally forwarded to you prior to my arrival.

Hopefully, the facts are sufficient but let me know if you have any questions.

Sincerely,

Al

Dear Mr. Moore:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstate. The procedures for a review of this decision are attached.

Sincerely yours,

Irving J. Yarock

Dear Al:

On September 15 you wrote to us concerning the above named individual and indicated that there was some concern several years ago related to his registration. We have written to you on a couple of occasions since then, but we have had no response.

Should we simply forget this matter or should it be pursued in order to protect the youth of America.

Thanks for your help on this item. As I indicated earlier, we don't have anything in our records that would cause us to refuse registration.

Sincerely,

Paul

SUBJECT: Daniel J. Moore

Dear Al:

We appreciated your letter of September 15 concerning the above-named individual. At the present time, we do not have anything in our files which would cause us to refuse registration.

We would like to have the information which you feel is available. If the volunteers are willing to write something concerning the situation, this would be most helpful. If there were any legal problems at that time, we would also like copies of newspaper clippings or court records which would substantiate this action.

Please let us know if we may be of help to you. We certainly want to place anyone on our file who should not be registered with the Boy Scouts of America.

Sincerely,

Paul Ernst, Director

SUBJECT: Daniel J. Moore

Dear Al:

Please excuse the delay in responding to your letter of September 15 concerning the above-named individual. I have been out of the office for quite some time and am trying to catch up on all of my correspondence.

We do not find anything in our files related to an individual by this name. If he did something that would preclude his registration in Scouting, then apparently it was not brought to our attention since no file was produced in this office.

If you can get more information which would substantiate refusal, we shall be most happy to work with you in setting up a file and making certain he is not registered with the Boy Scouts of America again.

Let me know if we may be of help.

Sincerely,

Paul Ernst, Director

Re: Daniel J. Moore

Dear Paul:

Last weekend, a Daniel J. Moore, [redacted] Boylston, MA, showed up at the Order of the Arrow Ordeal and paid for his meal.

I was not present; the professional related to the OA has been with us about 2 years was there, but in either case we wouldn't have taken note. Two volunteers commented afterwards that they thought this man had been asked to resign from the BSA sometime in the past.

Our D.E. brought it to my attention on Monday. I find nothing in the files about him.

Would you check to see if you have any data on him? Many thanks for your help.

Sincerely,

E. Alfred Swenson
